“ Joann was not only my cousin but my best friend. We would talk for hours on the phone just talking about anything that came to mind, old times, family, aches and pains, whatever came to mind. I almost called her the other night when it stormed because she loved a good thunderstorm, the louder the better, but I couldn't because she is no longer here. I will miss her forever. Rest now Joann. All your troubles are over. Love you forever friend. Shirley Maupin

“ Cousin JoAnn was a big part of my early childhood days. I remember how she would debate topics with “uncle Bud” (my dad) at the kitchen table. Her laugh was genuine, unique and very contagious, especially, if she was winning the debate. Her, “oh come on now Uncle Bud I’m just kidding for Pete’s sake” is forever etched in my mind. JoAnn was instrumental in teaching me who was who (cousin vs second cousin once removed, aunt vs great aunt, etc) in the Rennick lineage. She was a great babysitter to my beloved baby dolls and made playing school, with her as the student, both fun and inspiring. JoAnn always got down on the floor to play with me and always spent time interacting with me when she could have been at the adult table. She had so much love for me in her heart and for that I’m eternally grateful. I will miss her smile, her down to earth no nonsense attitude and her infectious laugh. Fly high Cousin JoAnn!! Love always Dawn

“ JoAnn, Mary and I were crafters we loaded up the things we made and went to craft shows. Eventually we got booths at Coomers. We all had so much fun with this we were all so close. She is a very talented knitter and for several years has been knitting baby blankets for local hospitals. I wish I could have had one more day.
